Breeders are smitten with **ENGAGE**! The son of the nation's six-time champion sire **INTO MISCHIEF** is riveting. Delivering pure speed in a powerful package, **ENGAGE** represents the highly successful cross of **INTO MISCHIEF** with **SPEIGHTSTOWN** mares, which has yielded such Gr. 1-winning sprinters as **MIA MISCHIEF** and **MISCHEVIOUS ALEX**. **ENGAGE** competed at the top level of sprint competition throughout his 19-start career. At 4 he was Breeders' Cup bound after winning Keeneland's Gr. 2 Phoenix S. over eventual Eclipse Award-winning sprinter Whitmore and finished fourth in that year's Gr. 1 Sprint. Highlights during a seven-race streak of firsts or seconds from 2 to 3, all in New York, included a score in Belmont's 6-fur. Gold Fever S. in 1:09 and change, and seconds in the Woody Stephens-G2, Bay Shore-G3 and Amsterdam-G3. The \$802,780-earner covered 71 mares his first year and 83 in 2023 as breeders saw the results! First-crop sales yearlings included a filly for \$115,000. His first foals come to the races in 2025.

MARYLAND THOROUGHBRED AFTERCARE

Beyond the Wire is an industry-wide initiative between the Maryland Thoroughbred Horsemen's Association, Maryland Jockey Club, Maryland Horse Breeders Association and Maryland jockeys. It is a first exit from the racing program designed to facilitate safe and enriching placements for retiring Maryland-based racehorses.

Generous annual pledges by involved organizations, in addition to owners' contributions of \$21 per start, enable Beyond the Wire to place retired Thoroughbreds exclusively with Thoroughbred Aftercare Alliance-accredited farms. Horses that go through the program receive retraining and rehabilitation, as needed.

Northview Stallion Station is set to lead the way in Maryland by contributing annually to the program. Northview will give **5 percent** of the proceeds collected each year on contracts for Northview's stallion seasons to Beyond the Wire to support sanctuary horses through this industry leading program.

Northview's love and care for horses comes full circle by supporting such an important industry program, as Beyond the Wire not only gives Thoroughbreds new opportunities, but provides education and advocacy surrounding the issue of responsible retirement of racehorses.
